ENGINEER'S AND ENTREPRENEUR'S MEET (19-20)

This event was conducted for students of TCET and schools. This event we had 10 companies and 8 Entrepreneurs' who had come. To show their various engineered products with passion and enthusiasm. There were so many products which students found amusing which raised a fire inside them, inspire them to go to such levels, and motivate students regarding their career in engineering by exploring them to new products and to develop such products and equipment's.

SCIENTIFIC CALCULATOR WORKSHOP

This event was conducted for students of TCET especially for the first year students to familiarize them with the tips and tricks to use the scientific calculator. Students understood the functionalities of the calculator and became comfortable with it.

ATSTEM 2019

This event was conducted for 11th and 12th standard students from schools and colleges across Mumbai by ISTE Student's Chapter under the Department of Engineering Sciences and Humanities. Total of 418 students registered and more than 200 students turned up for the event that was planned for the first time.

They also got a platform to assess themselves and where they stand amongst students from across Mumbai. This event also helped in publicising the college as a top-class institution.
