THE IT DEPARTMENT NEWSLETTER

EDUCATIONAL EXCURSION 2020

An industrial visit was organized for the students studying in second and third year of IT department by the committee ACM-TCET. This visit helped students understand the industry requirements and the upcoming opportunities in field of IT. The industrial visit started on 1st January and ended on 9 th January. Over these 9 days, students visited Delhi, Nainital, Jim Corbett national park. Students had an opportunity to visit the industries like Corbett plywood industry, Mother dairy. They also explored local attractions like Rashtrapati Bhavan, India gate, Bheem Taal Lake, Nainital zoo and Naini Devi temple. The students has an enriching experience as they learned new things in the domain of information technology. This excursion was remarkably a memorable one for the all the students.

Dr. Deven Shah was the Chairman BOS IT for MU and Academic Council Member for MU. Blockchain Course for entire semester at VJTI. Blockchain Conference at VJTI. He was a speaker and Panel discussion at Pravin Gandhi Law College. He did a project for CERT in consultation with Lab Systems.

Dr. Kamal Shah:-

IEDC Grant distribution.

Minor Research Grant proposal submission NASA Hackathon. Entrepreneur Meet & Team building Activity. MSME 2 days Awareness programs.

Avishkar Project finalization.

Hobby club project finalization.

IEDC Advisory Board Meeting project Demo

at Robotics China. Students to IV at Thakur Poly. For VR.

Dr. Rajesh Bansode:

NBA consultant for SJCEM – Palghar.

External examiner of Research progress monitoring committee - for Course work of Ph.D. (Technology) in IT at FAMT, Ratnagiri.

Technical reviewer to IEEE Intl. conf. – on innovating tech. for humanity at MIT – Pune. Technical reviewer to Intl. springer conf. on Adv. Comp. & Application – ICACTA-2020 DJSLE, Mumbai. Chairman BOS for IT under TCET Autonomy Scheme.

Paper setter chairperson oSPIT- Andheri.

Mr. Vikas Kaul:

Consultancy for developing DIET App at B.V. Hospital, Mira Road.

Consultancy for website at Gopal Garden High School Borivali.

Ph.D. thesis submission at SGBAU Amravati.

Member BOS for IT under TCET Autonomy Scheme.

Dr. Bijith Marakarkandy:

Chairperson paper setting committee University of Mumbai. M.E. thesis examiner university of Pune. Technical reviewer springer for D.J.ACTA (D.J. Sanghvi CoE).

Mr. Namdeo B. Badhe:

Registered for Ph.D. course at FAMT, Ratnagiri.

Enrolled for NPTEL courses (Blockchain & Research methodology).

TNP Dept. coordinator.

Second Year IT Department Students:- Aastha Shah and Sakshi Madkholkar were the winners of the MIT, Pune-Persona Fest 2020 which was a Project Implementation and Presentation Competition, Nidhi Shetty also took part the competition and did well.

Mr. Anil Vasoya was the NPTEL and FOSS SPOC for TCET. Technical program committee member for ICRTIB-2019 conference (International).

Started IELTS (British Council) registration center. Education fair- 2019 organized for Institute students. Mentor for NPTEL-IOT course.

Mrs. Pranjali Kasture:

Cleared PET at Pune

University. BOS member and Program Co-coordinator for syllabus design IT under Autonomy scheme. Session chair at Technical paper presentation in Zephyr. Infosys Campus Connect program Trainer.

Mrs. Vandana Munde completed Certification course for Kali Linux.

Dr. Sangeeta Vhatkar Approved Ph.D. guide of UoM in IT.

Online NPTEL course certification for software testing.

Mrs. Hetal Amrutia:

NPTEL Mentor for Python Programming and Machine learning. Lead Auditor ISO-2015 conducted audit for various Departments and sections of TCET. Database Domain incharge conducted SQL Query solving session and practical knowledge of different open source database software. Syllabus setting at UG, PG level at TCET.

Working on MRU project and will successfully completed this semester.

Mr. Bhushan Nemade:

Completed Machine learning certification – udemy.

Mentor for NPTEL – Data structure. NMMIS – Project Examiner for Internship.

Syllabus setting for UG and PG course (DSA, Machine learning, Python).

Paper setting for UG course at TCET. R-language session for ME students. Technical expert Judge during Zephyr. Judge for Project competition ETRX Dept., 15/01/2019. Research Paper submitted in IEEE conference at confluence 2020.

Mrs. Purvi Sankhe:

NPTEL Mentor for object oriented program with Java. Registered for NPTEL online course on “Java Programming exam”.

Member of IIC committee.

Mr. Vijaykumar Yele:

NPTEL – Electromagnetic Theory course completed.

Examination process guideline preparation.

Redesigned as Deputy COE.

Mrs. Neha Kapadia:

Consultancy for website at Gopal's Garden High School Borivali.

Volunteer for NASA App Hackathon.

NPTEL Mentor for object oriented program with Java. Applied for MRG(2019-20) at UOM.

Mr. Shridhar Kamble:
CDAC consultancy for delivering two subjects namely, Database Technology and MEAN Stack. ABL coordinator for SEIT-A. Conducted activities such as Debate, technical, non-technical, general awareness test, street play. Paper setting for Mobile App development subject at D.J. Sanghvi College of Engineering.

Inspite of the sudden break due to the spread of COVID-19 the college did not hinder its learning. An online event was held named E-Techno Fest. ACM offered 4 games under the name as Evolution. Participants from different colleges took part. Participants were tested on their Technical as well as Soft Skills. Two of our department students own in the CodeChef platform.

Mrs. Sandeep Bankar:
Organized workshop during Zephyr (MLEAI). Organized coding competition in codechef, GIT workshop. Syllabus setting of UG subject. Time Table coordinator.

Mrs. Shruti Mathur:
NPTEL Mentor for AI searching Techniques. Took session for ML-AI domain devices domain activity on AI & ML : Algorithms and Applications. Syllabus setter for project data Analytics.

Mr. Aaditya A. Desai:
Project Dept. Co-coordinator for BE projects. Faculty incharge Multicon-W dept. conference. Mentor for NASA Hackathon National event held at Noida, UP.

Mrs. Neha Patwari:
Mentor in NPTEL. Took Domain Activity for ML-AI domain (Debate) conducted. Process Incharge of Budget. Debate on ML & AI activity.
