## INDUSTRIAL VISIT 2018

BY ADVAIT MADUSKAR

An Industrial Visit for students of 2nd and 3rd year IT undergraduates was conducted by the ACM TCET to enable students to directly communicate with industry persons and understand the implementation and applications of the subjects that they study in their curriculum. The Industrial Visit lasted for 8 days, starting from January 3rd till January 11th, 2018. Over the course of this excursion, students visited the cities of Amritsar, Chandigarh and Delhi. At Amritsar, the industry visited was "Hansa Blanket Manufacturing" and at Delhi, "Software Technology Park India". The experience was enriching for all students as everyone got to learn new things about the domain of Information Technology and its use in industry.
