No. of students Graduating in PG (MD/MS/DNB) program				
		2021-22	2020-21	2019-20
0		0	0	0

Online Education

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		<p>At TCET, our work-culture supports best and innovative practices to ensure quality education through various quality models viz. Bloom's Taxonomy based learning, NBA Outcome Based Education, ISO9001:2015 based Quality Management System (QMS), Malcolm Baldrige Model for Performance Excellence, 4H Life Skill Model etc. System built on these models made TCET agile and helped it to face the difficult time of COVID-19 pandemic and effectively mitigate the damage caused by the nation-wide lockdown imposed by the authorities. By end of March 2020, when the lockdown was announced, even semesters of AY 2019-20 were in progression. TCET adopted to the new "Work/ Study from Home" culture fast enough to recover from the academic/ administrative losses in time. We completed the syllabus, conducted examinations, and declared results without any delay. To achieve this, faculty members were trained with the usage of various online platforms viz. Zoom Meetings, Google Classroom and Microsoft Teams. The students were informed and made ready to use various online platforms for attending lectures and practical. The schedule was made such that the students are connected online with the respective faculty for theory and practical sessions (if applicable) of 2 hours each. Intermediate session for Self-Study (Offline Mode) was also incorporated in the schedule. Session-wise learning material and recorded lectures were made available online so that students can refer these resources anytime. Also, students were asked to upload their allocated tasks to Google Classroom/ Microsoft Teams for evaluation purpose. Platforms like Microsoft Teams, Google Classroom and ERP were used for sharing content and reference materials with the students. Mock sessions were conducted for oral and practical examination to check the preparedness and readiness of the students. Institute has procured Zoom license for conducting practical examination of students as per academic calendar. A well-defined academic calendar played a pivotal role in providing a reference for planning all activities and coverage of the syllabus in time. As the mode of instruction was abruptly shifted from offline to online, all activities were modified accordingly, considering the available time frame, and disseminated to stakeholders through appropriate notifications and meetings. The online and offline mode of teaching-learning helped in completing the academic delivery. Examinations were conducted and the results were declared on time. The next semester also began smoothly with effective conduct of Holistic Student Development (HSD) and academics. Faculty members adopted many online tools to evaluate and improve the interaction among the students. They have also developed structured and guided learning resource (e-Content) for conduction of lectures (PPTs, videos, quizzes and design of experiments using Virtual Lab). The students were able to establish a close connect with faculty members. Activities like group presentations, group-discussions, peer to peer interactions helped students enhance confidence levels, and adapt to the new learning environment irrespective of where the student was currently located.</p>	
3. The period of delay in completion of syllabus (in months).		0	
4. The period of delay in conducting exams (in months).		0	
Portal Name	No. of students offered online courses which have credit transferred to transcript	Total no. of online courses which have credit transferred to the transcript	Total no. of credits transferred to transcript
Swayam	20	24	360

5. No. of courses developed and available online on Swayam platform by your institution faculty	0
