Sub: Discipline in Campus

In the light of recent observations of indiscipline, it necessary to emphasize the importance of discipline that define our institution. It plays a pivotal role in creating an environment conducive to learning and personal growth. we would like to highlight three fundamental points that require your immediate attention to maintain the rigor of engineering education and foster a professional environment within our campus.

1. Students must arrive at least 15 minutes early for classes and labs. Maintain 75% attendance for academic activities, and ensure punctuality & regularity.
2. Always wear your ID card and ensure strict compliance with our dress code policy.
3. Maintain proper decorum while interacting with your colleagues in classrooms, labs, library, lobby, or anywhere on campus.

In this regard, all Deans, Associate Deans, and Heads of Departments are requested to exercise vigilance and promptly report any instances of indiscipline to the Principal. Additionally, Heads of Departments are kindly urged to activate the Discipline Committee, ensuring regular monitoring and reporting of any acts of indiscipline to the undersigned.

All are requested to make a note of the same.
