Date: 07/08/2020.

TO: ALL SE,TE,BE Students and Class Teacher

Sub: Non-receipt of Details of payment of fees – A.Y.2020-21

Ref: Notice Nos. Principal/54, 55, 56 of 2020 dated 1st July 2020

With regards to the above Notices, it has been brought to the notice of the institute that there are still few students who have not paid fees either in full or part inspite of twice extending the deadline to pay fees. Please note that the Academic Year of 2020-2021 had already begun from 15th July 2020 and the institute has considered requests of students / parents with regards to deadline extension, installments (to those who pay 50 % before deadline date and balance in two installments). However, it is difficult for the institute to extend any further consideration to those who have neither paid fees in part of in full to the institute. We hereby ask all such students who have not paid fees at all to kindly pay the fees before 15th August 2020. The institute may have to consider LATE PAYMENT CHARGES for students who do not pay fees by 15th August 2020.

This is to further inform you all that some of the students who have paid the fees have not submitted the payment details viz. Name, Branch, Roll No., Paid Amount, Payment date, UTR No/ Ref.No/IMPS No./Transaction ID No. Hence, it is difficult to trace the payment of fees by students who have paid the fees. There are total 124 students who have not given the payment details. Such students who have paid the fees and have not got payment confirmation from the institute need to submit the details immediately on tcet@thakureducation.org.

All are requested to make a note of the same.
