This is to inform all the F.E. & S.E. students and Faculty Members that under Autonomy, TCET implemented Holistic Student Development (HSD) under which activity based learning, professional skill development, seminars and workshops were conducted. This platform has been developed to strengthen student's non-engineering skills required for professional success.

These activities were conducted for 40 hours which is equivalent to one credit. Therefore for awarding the credits there will be presentation and submission of report with executive summary on 22<sup>nd</sup> & 23<sup>rd</sup> November 2019 for second year and 26<sup>th</sup> & 27<sup>th</sup> November 2019 for First Year students. All students have to report as per time table. As per syllabus 25 marks are for report and 25/50 marks for presentation to check Activity Outcome attainment which will be evaluated by internal and external examiner through final presentation.

All the HODs & faculty members are required to do the needful to facilitate smooth conduct of HSD evaluation.
