With regards to the payment of fees for the A.Y. 2020-2021. It is noticed that many of the students have paid the fees; however, they have not sent us the payment details via email. This is creating problem in tracking the payment of the students.

We herewith request all the students to ensure that they must send their payment details quickly to us so that we are able to account the fees of the concerned students in our books. It is in the interest of the students to make sure that they have the mail confirmation from the institute with regards to the payment made by them.
